Table 1: Listing of Documents in OSE Reference Release .....................................................................................................9
1. Scope

The scope of this document is limited to the Reference Release Definition of OMA Service Environment (OSE) V1.0 according to OMA Release process and the Reference Release document baseline listed in section 6.
2. References

2.1 Normative References

3. Terminology and Conventions

3.1 Conventions

The key words “MUST”, “MUST NOT”, “REQUIRED”, “SHALL”, “SHALL NOT”, “SHOULD”, “SHOULD NOT”, “RECOMMENDED”, “MAY”, and “OPTIONAL” in this document are to be interpreted as described in [RFC2119].

All sections and appendixes, except “Scope” and “Introduction”, are normative, unless they are explicitly indicated to be informative.

3.2 Definitions

| Reference Release | A set of specifications and/or white papers which form a formal deliverable of OMA. The release can be referenced or otherwise used to support implementable enabler releases, but it cannot by itself be implemented in products. |
| Reference Release Definition | A definition of the documents that are included in a Reference Release. |

3.3 Abbreviations

- **OMA**: Open Mobile Alliance
- **RRELD**: Reference Release Definition
- **OSE**: OMA Service Environment
4. Introduction

This document outlines the materials that constitute the Reference Release Definition for the OMA Service Environment (OSE) Version 1.0. This reference release serves to keep the collection of materials associated for ease of use and acquisition.

The OSE Version 1.0 consists of the following documents:

It is the purpose of the OSE to provide guidance to OMA enabler specification developers that enabler specifications should reuse existing specifications where possible. This approach includes reuse of existing OMA enabler specifications whenever possible.

Furthermore the informative OSE architecture provides a framework that enables the exposure of OMA enablers, other functions, resources and applications to each other in a controlled manner.
5. Description of Differences from Previous Version

This is a new reference release. There are no previous versions.
6. Document Listing for OSE V1.0

This section is normative.
